

St Colmcille's children's summer week is **Monday 7th-Friday 11th August**, for children currently in Pre School to Primary 4. This year the story is based on Jonah and the Whale in the Old Testament. The children will learn that we can't run away from the job that God has given each of us, which is, to tell others about Him and His love. The daily themes and messages are reinforced through arts & crafts, singing, dance activities, sports

and games. Forms are available in the Church porch. **Closing date Monday 5th June.**

Running alongside the annual children's summer week: there will be a leadership training programme for young people aged 14 – 18 years. Additional adult volunteers over 18 years of age are also needed in August. Please consider helping on some or all of the dates that week.
