EAST AFRICA CRISIS APPEAL

A special collection will take place across Ireland at all Masses **next weekend, 22nd and 23rd July**, to fund life-saving aid for people currently affected by the devastating hunger crisis in east Africa. The money raised will be donated to Trocaire, the overseas development agency of the Catholic Church in Ireland, which is delivering emergency food, water and health care to the **25 million people affected**.

Severe drought, driven by climate change, is currently affecting **Kenya, South Sudan, Somalia and Ethiopia** and this has resulted in failed harvests and the widespread death of livestock. Conflict has exacerbated the effects in South Sudan and Somalia, with areas in both countries now on the verge of famine.

“Globally, this crisis has received very little attention. Appeals for aid are under-funded. For example, the UN has received just 37% of the funding it needs to respond to the crisis in Somalia. The world is distracted by the actions of a handful of powerful politicians, while in east Africa millions suffer in silence. It is unacceptable for so many to go hungry.” Archbishop Eamon Martin.

The United Nations has described the situation in the drought-ravaged parts of Africa as **the greatest humanitarian crisis since the Second World War**.

The Irish Bishops are asking clergy and parishioners to respond to this terrible tragedy with generosity.
