## HEALING THE LAND PRAYER EVENT

We care very deeply about the future of this island so we’re passing on this message from the organisers of a prayer event that’s coming up on Saturday 9 September 2017 from 1.00pm–4.00pm at Nutts Corner Market Area.

### It is Time To Pray For Our Land!

On **next Saturday 9th September**, thousands of people from all over Ireland will gather at Nutts Corner to pray for the healing of our land. This day is for all who believe that our island has a desperate need for healing, renewal and reconciliation. Not only is there a political vacuum in our country, but also a massive spiritual and emotional void in our people. Our political impasse reflects quite graphically the personal crisis and despair of so many hearts. Over the years, so much has been tried to find a long-term solution to our problems, but answers have eluded us. Where do we turn now?

Some will say that the last thing we need is more religion – ‘Did that not help to get us into this monumental mess?’ The 9th September is not about sectarian religion that divides, but is about the Spirit of God uniting ordinary people in truth. It is a call to all who sense that there is more to Christianity than we have experienced in much of our history. We need God to do something new and fresh among us!

Albert Einstein’s definition of ‘insanity’ was ‘Doing the same thing over and over again and expecting different results’. Thomas Jefferson said, ‘If you want something you’ve never had, you must be willing to do something you’ve never done’. When was the last time a national assembly for prayer took place? Surely the time has come – the time is now!

It is time for those who believe our only answer is found in answer to prayer to unite together, petitioning God in Jesus’ name for real transformation.

**If you agree, please join us next Saturday 9<sup>th</sup> September,  
1.00pm – 4.00pm, Nutts Corner Market Area.**

Thank you, we look forward to joining you there!
