Pilgrimage Programme:

Our pilgrimage includes the celebration of Masses, including at the Grotto; celebration of the Sacrament of the Sick and Reconciliation; participation in the Blessed Sacrament and Candlelight processions and the Way of the Cross. Pilgrims will have the opportunity to visit Bartrès (additional cost). There is plenty of free time for your own personal prayer, to relax, and to explore the town of Lourdes.

Sick and Assisted Pilgrims:

Due to the ongoing impact of the pandemic, there will be no medical or nursing support available from the Pilgrimage Committee and that the Youth Team will be limited in number. We are unable to offer supported accommodation to pilgrims in the Accueil Notre-Dame Pilgrims must be able to travel independently or be accompanied by someone who can provide for **all** their care and support needs. In the event of illness pilgrims will be directed to the locally available medical services.

Covid-19:

The Pilgrimage Committee and Joe Walsh Tours are committed to the health and wellbeing of all our pilgrims. We will endeavor to provide guidance in relation to travel and health and safety protocols in place at home and abroad at the time of travel. We are not able to submit details and make declarations to government or other civic authorities on behalf of pilgrims. It is your responsibility to ensure you comply with all travel requirements in place at the time of travel. Failure to comply with travel requirements may result in you being denied boarding or entry to the destination or denied access to facilities and activities while in Lourdes. At the time of going to press (February 2022) all pilgrims will be required (by French Government and Hotelier safety protocols) to be fully vaccinated for Covid-19.
